

# BAMBOO

---

Used for centuries by our Asian neighbours, a Bamboo floor is as beautiful as it is strong and durable. One of the hardest natural materials, our engineered strand-woven Bamboo flooring range represents the best in Bamboo flooring available anywhere. Selected from sustainable plantations and delivered in an engineered format, our pre-finished Bamboo range colour palette boasts tones of Carbonised Coffee, the golden hue of Champagne, rustic charm of Autumn and the warmth of Brushed Vintage. Easy to care for, economical to install and hard wearing, take a look at the Bamboo as Mother Nature intended!
