

CHEVRON BLOCK PARQUETY IN **NATURAL FRENCH OAK**

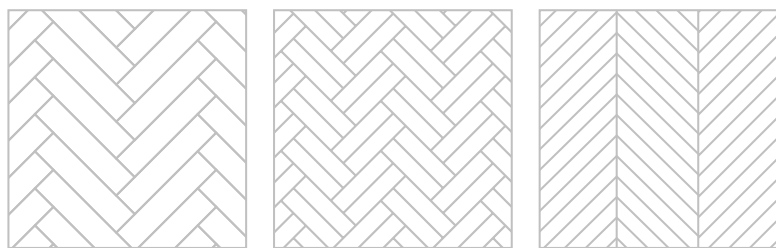

tempo
PARQUETRY

The luxury and sumptuous designs of a Parisian Palace is reflected in our beautifully crafted selection of Parquetry flooring. From individual blocks laid in traditional style, to the modern engineered panel format, our hand selected French Oak timbers are ready for finishing from the Tempo colour palette, or get creative and match your own bespoke colour in our Tempo Custom Colour studio.

tempo custom colour studio

If you have a particular colour scheme for your new home in mind, or you have fallen in love with something from a magazine, then a visit to our Tempo Custom Colour Studio is a must!

Work with our experienced Tempo Lab Technician and qualified Design Consultants to mix and match your own colour sample boards to experiment with colours and finishes.

Together, we will help create your very own unique timber floor.

Visit www.ptf.com.au to book your exclusive appointment.
