RESISTANT**

---

Looking for a durable, contemporary and stylish flooring solution – with the added performance of a water resistance, then the wait is over! Presented in wide-board format and with a colour palette including Seashell and Oyster, our Aquatic Series pervades a relaxed coastal ambience to any room, but with the added benefit of a water-resistant floor.

Put simply, this range is ideal for heavy traffic areas, that are prone to spills and can be wet mopped for easy care, creating solutions for home owners and an ideal practical option for rental properties.

Extend the hardwood designer look and real timber feel to kitchens, bathrooms, laundries and basements with the added performance of water resistance.

Our Extra Tight Lock technology, provides easy installation, combined with the AC4 Heavy Wear rating, intended to handle the everyday beating of high traffic areas, the Aquatic Series delivers new opportunities for a real timber look and feel throughout your home at an affordable price.
